February 2019 Bulletin

Washington State University

Circle K International

By Allyson Barnes

February Overview

- Basketball Parking (2/16)
- Service Projects
  - Hearts-a-Flutter (2/8)
  - Furball (2/23)
  - Blood Drive (2/12, 2/27 & 2/28)
- Officer Training (2/27)
- Member of the Month
- Upcoming Events
- Contact Us

Basketball Parking (2/16)

We helped with basketball parking at Washington State University. We assisted people who were parking by checking their passes to ensure they're in the right place and helping others find where they're supposed to park. Basketball parking is a great fundraiser for the club and the money we make goes to many club events or costs - such as DCON, club shirts, and more.

Service Projects

Hearts-a-Flutter (2/8): CKI visited Regency Pullman to spend time with residents, help serve dinner, and cleaning up afterwards.

Furball (2/23): We helped at the Whitman County Humane Society's Furball event. This charity event helps raise money for the amazing shelter. Members helped by checking people into the event.

Blood Drive (2/12, 2/27 & 2/28): CKI assisted Red Cross with a blood drive on the 12th, 27th, and 28th by checking in those who were donating blood. Donating blood is a fantastic way to help others and we are happy that we got to help check-in those who donated!

Officer Training (2/27)

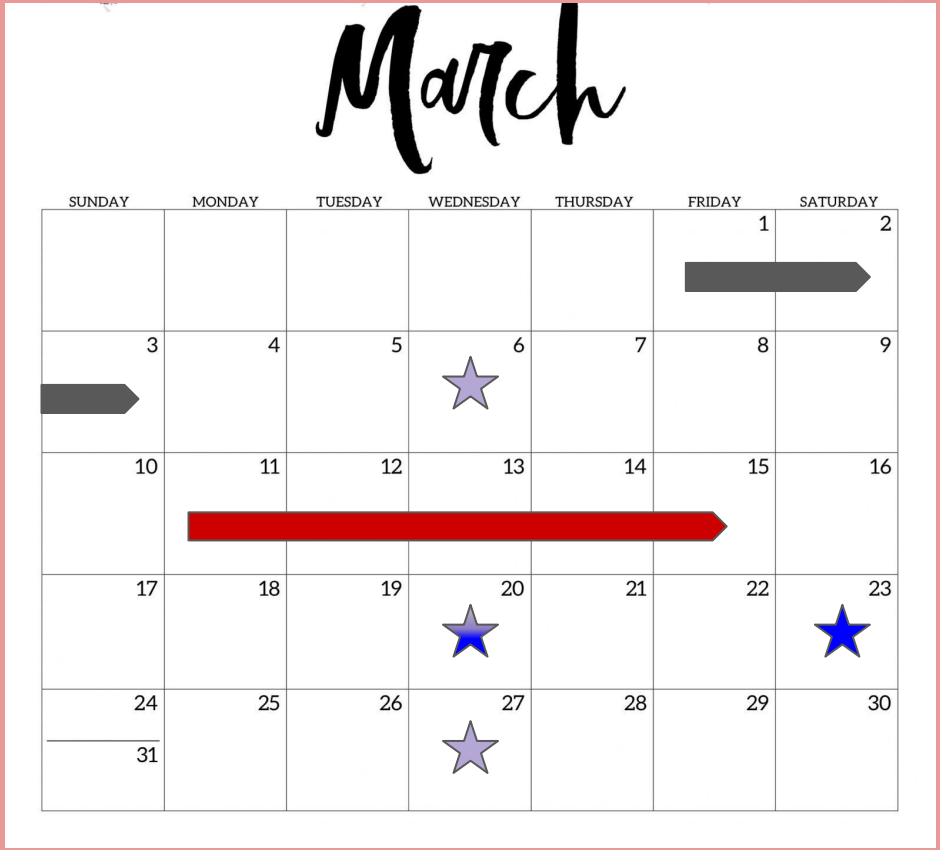
With our CKI year coming to an end, we are getting ready for new officers to take the place of our current ones. With this, we took some time to have our current officers train the newcomers on their position and helped answer any questions they had. Officer training is important because it allows for a smooth transition between officer boards. Both old and new officers are excited for the upcoming CKI year!

Member of the Month

Our member of the month was Madilyn Barrett!

She has been very involved in the club this past month, helped in many service projects, and we are thankful for having such amazing members like her!

Upcoming Events



- March 1-3: District Convention
- March 6, 20, 27: CKI meetings
- March 20: In-meeting service project (Making cat shelters)
- March 23: Perkins House
- March 11-15: Spring Break

Color Key:

- Grey= DCON
- Blue= Service Projects
- Lavender= CKI meetings
- Crimson= WSU Academic Calendar Events
